Getting around

The city of Lawrence lies on a major east-west turnpike, Interstate 70. The west Lawrence I-70 exit provides the most direct route to the KU campus. The east Lawrence exit leads into downtown Lawrence, which is northeast of campus. Lawrence has a bus terminal and a taxi service. KU on Wheels, a local bus service, links the campus with downtown and most major apartment complexes.

Kansas City International Airport lies on I-29, about 22 miles north of downtown Kansas City. The airport is an hour’s drive (I-435 South, then I-70 West) to Lawrence. An airport shuttle is available for travel between Lawrence and KCI.
